## Comment envoyer une boîte de dialogue sur les machines avec N-Central ?

Maxime - 2024-04-28 - N-Central

Pour envoyer un message sous forme d'une boîte de dialogue aux machines monitorées via N-Central, voici ce qu'il faut faire :

1. Utilisez Automation Manager pour créer la boîte de dialogue comme ceci

Il faut choisir "Input Prompt", puis remplir celui-ci en fonction des besoins

1. Puis, il faut ajouter ce script dans votre Repository N-Central

WATSOFT DISTRIBUTION

Add/Import Devices

Add Customer

Domain User Management

Download Agent/Probe

Export Last Recovery Point

File Transfer

Patch Approvals

Push Third Party Software

Run a Backup

Run a Discovery

Run a Mac Script

Run an Automation Policy

Run a Script
